MEMORANDUM FOR: Bob Gates, NIO/USSR
FROM: Director of Central Intelligence
SUBJECT: Soviet Penetration in Third World

1. The work on destabilization headed "Soviet Penetration in Third World", apparently produced by a committee headed by [redacted] strikes me as promising. The work by the Political Analysis Office seems less so. To what extent does the SNIE we did on political instability capture and sum up this work?

2. Perhaps we should start thinking of talking about how to carry this on in the reorganized NFAC.
